The **July** meeting of the Zia Rifle & Pistol Club is scheduled for **Thursday, July 18th** at 7:00 PM at **Bear Canyon Senior Center, 4656 Pitt NE**. All members are welcome and encouraged to attend. If there is anything you would like to discuss, please contact Secretary, Chris Garrett.

*See you there!*

### May 16, 2024 Zia Board of Directors Meeting Minutes

The May 16, 2024 BOD meeting was called to order at 7:00 p.m. at the Bear Canyon Senior Center, with Club President Pat Milesosky presiding. A quorum of the BOD was achieved with 16 out of 21 members in attendance.

#### Item I - Approval of Agenda and Minutes

The meeting Agenda was approved with three additions (range lease update, ladies class recognition, and future dues increase). The April meeting Minutes were approved without changes.

#### Item II - Treasurer's report

Sharon Foreman gave the Treasurer's Report. She shared the Statement of Activity from April and discussed the condition of the Club. The Treasurer's Report was approved.

#### Item III Legislative Action Committee Report

Nate informed the BOD about multiple topics including it is currently not expected that any gun control will make it into the special session and the waiting period law is now in effect (applications for a CCW license have picked up dramatically as expected). Nate also encouraged the BOD to get out and vote in the primary (and encourage others to do so) because if the turnout is high in favor of pro-2A candidates, it will send a strong message to the existing lawmakers.

#### Item IV - Old Business

Gary Wells updated the Board on the Range House Cooling project. Work on the project will start on Monday and should be complete within a week. Gary also mentioned he had 16 Veterans Wednesday morning, and 5 members came for the family air gun activity that afternoon who would have really appreciated some A/C.

Pat gave a quick update on efforts to secure a new lease from the State. We received a draft lease soon after the April meeting and are currently studying the second draft. Sharon is working on a good option for the Range closure fund that satisfies the State without giving them direct access to Club assets.

*Continued on next page*

**Item V - New Business**

Heidi Chowning brought Roger Finzel in front of the board and recognized him for all his years supporting the Ladies Class (he recently had to step down from the program.) Roger had a lead role in creating the Ladies program, and has served the Club, the 2<sup>nd</sup> Amendment, and the people of New Mexico for a very long time.

Heidi also discussed a proposal from Lois to increase her fee for managing the Club's membership duties. A motion was made to approve the requested \$5 per member fee, was seconded and passed.

Pat discussed the idea of raising annual dues possibly in January due to rising costs from every direction. No specifics, just an initial discussion to make the membership aware.

**Item VI - Adjourn**

After discussing all the items on the agenda, and there being no further business, the meeting was adjourned at 7:37 p.m. The next BOD meeting will be held on June 20, 2024, starting at 7:00 p.m. at the Bear Canyon Senior Center, 4656 Pitt NE.

***Veterans Air Gun Activity Needs an Assistant***

**Veterans Air Gun Activity** is looking for an Assistant. This person needs to be available mornings, on the first and third Wednesday of each month to help set up and run the VA Activity, which is growing every month. Starting in May we are expanding to three hours of shooting to get all the participants on line. The Assistant should be or be willing to take the training for Range Safety Officer, Trauma and First Aid Certifications.

**Please email Gary Wells:  
veteransairgun@ziarifleandpistolclub.com  
with your phone number and best time to call.**

Thank you for considering helping Albuquerque's disabled veterans enjoy a shooting sport.

***Gary Wells***

**2024 Board of Directors Meeting Schedule**

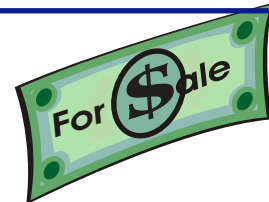

All meetings are held at the Bear Canyon Senior Center, and begin at 7:00 p.m. All Zia members are welcome to attend. If there is an issue you would like to bring up to the Board, please contact Secretary, Chris Garrett a week prior to the meeting so that you may be put on the agenda.

# Congratulations James Tucker

James Tucker and fellow medal winner  
Logan Sanchez, of Colorado

This year I was able to travel to Fort Moore in Columbus, Georgia, where I competed at USA Shooting Nationals. This was one of the longest and most humid matches I have ever shot. We arrived on Sunday and we got our visitors pass so we could enter onto the base. On Monday I had PET (Pre Event Training) for Smallbore. The next two days I had both of my matches. On the first day, I shot a match Personal Best of 529 - 6x! Then after the second match on Wednesday, we had awards for Mens Smallbore and I got a silver in the U15 category. On Thursday I had PET for Air Rifle. After that I had my two Air Rifle matches where I fired another Personal Best of 593.1 - 22x. After my second match on Saturday, we had the Awards for the Mens Air Rifle and I won the silver medal for the U15. I would just like to share my gratitude for the wonderful donation the Zia Rifle and Pistol had given me for this amazing match.

Thanks, James

Fellow Shooters:

Thanks to all who helped set up and clean up. We can certainly use more help if anyone is interested, please let me know.

The earlier start got us out before the heat was too bad. Scores were a little higher than normal, so good shooting all!!

This email is to make you aware of the condition of the roads at Zia!

**PAY ATTENTION TO THE ATTACHED OVERHEAD MAP OF ZIA!**

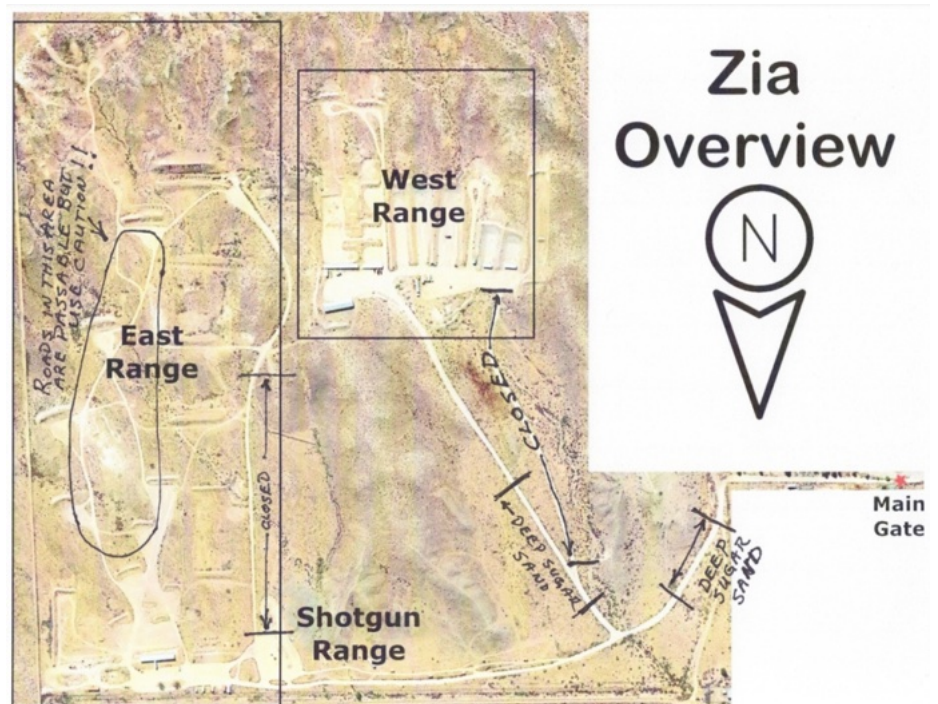

Two weeks ago a rainstorm that poured 2+ inches water on Zia completely trashed some of the main roads. The two roads that are closed are noted on the overhead map that is attached to this email. They are impassable even with 4 wheel drive vehicles!

The various roads on the eastern most side of Zia that lead back to the 600 yard are passable with trucks and large SUV's. Smaller cars WILL have trouble!

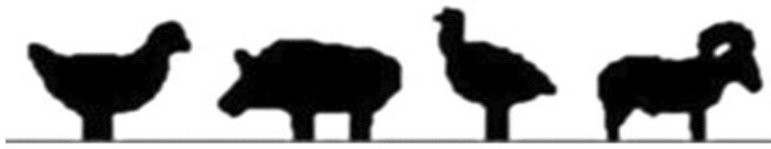

Be aware that there is deep sugar sand in the areas noted on the map that might trap smaller cars! If you decide to be brave and bury your vehicle or damage it you are completely responsible as you made the decision to try your luck.

Please understand that volunteers are already working on repairing the roads that they can. The roads that are beyond the ability to repair with the club tractor will require the use of large road construction equipment. At this time, club president Pat Milesosky has talked with Zia's neighbors at Operating Engineers who are busy using their equipment to repair the damage to their yard and building. We will know more when he talks with them again in a couple of weeks.

Whatever you do, be cautious!

## Small Bore Rifle Silhouette Match June 2, 2024

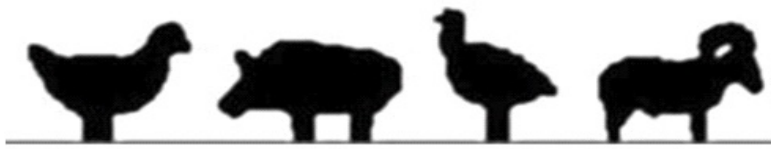

Pictures from left to right: Danny L. wearing the gold tiara signifying his first 10 in a row pin awards (shooting open sights!), Marcos wearing the silver tiara signifying his first 5 in a row pin award, Jeb 5 in a row pin winner, Bill S. with his 5 in a row pins, Luci 5 in a row turkey pin, and the ½ size match winner, Tom F.

What a perfect day for a match and a swap meet. None of us had any excuses to not shoot well. There were 20 shooters who competed. Welcome back to Danny L. who scored 33 with open sights! We were able to keep things moving along and finished right before the wind picked up and all of you know my thoughts on the WIND! Everyone had fun dealing and bargaining at the swap meet. There was even a “free” table of items to be had.

We are seeing such a success in the different matches ½ size open sights and scoped and 1/5 size open sights and scoped that I believe going forward we will establish a class structure similar to what we now have in place for the ½ size competition. This is only fair, as we witnessed Danny L shooting open sights who tied Tom F. who was shooting a scoped rifle. Apples and oranges!

This will be a work in progress but I believe that these types of “growing pains” are great for the sport and the competitors to level the playing field.

## ½ Size Target Results

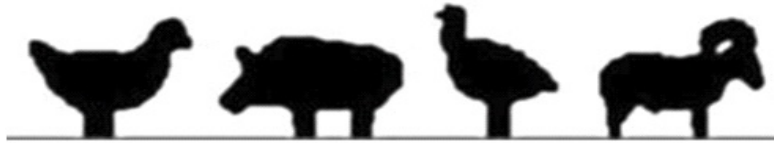

COMPETITORS NAME	CHICKEN	PIG	TURKEY	RAM	TOTAL	CLASS
Danny L.	10	10	4	9	33	Iron
Tom F.	8	8	8/5	9/5	33	M
Jerry C.	8	9/5	6	8	31	M
Bill S.	8/5	7	8/5	5	28	AAA
Luci	5	8	9/5	6	28	AA
Jeb	5	9/5	7	7/5	28	
Bill S.	5	7	5	8	26	NC
Sharon F.	5	8	8	4	25	M
Dennis B.	8	7	6	4	25	
John B.	2	8	6	7	23	AAA
Ted McT.	7	6	3	6	22	AA
Jordan S.	7	6	6	3	22	Iron
Marcos M.	3	7/5	4	7	21	Y
Davin	7	5	5	4	21	Iron
Jordan S.	3	5	5	8	21	Iron
Gary B.	5	8/5	4	3	20	AA
Will	6	3	5	5	19	Iron
Dennis B.	6	1	3	6	16	Iron
Denise McT.	4	5	4	3	16	AA
Gary D.	4	4	2	3	13	AA
Dick	1	1	2	0	4	U

**Highlighted scores indicate class winners.**

Please note the 5 and 10 in a row winners as indicated in the score table.

The matrix for this class structure is:

Master	34	40
AAA	28	33
AA	21	27
A	15	20
B	0	14

## 1/5 size target results:

COMPETITORS NAME	CHICKEN	PIG	TURKEY	RAM	TOTAL	CLASS
Jeb	7	5	3	0	15	
Jordan S.	4	6	5	0	15	Iron
Jerry C.	4	3	5	2	14	
Tom F.	5	3	3	3	14	
Gary D.	4	7	0	1	12	
Cora	3	1	3	0	7	

Jeb and Jordan tied for overall best scores, but again, you can see Jeb was shooting with a scope and Jordan was open sights. Breaking out the different classes will allow all of the competitors to be acknowledged for their accomplishments.

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 yards, 10 pigs at 60 yards, 10 turkeys at 77 yards, and 10 rams at 100 yards. A total of 40 rounds are needed for a match plus sight in rounds.

We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following is information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full time allowance, if all competitors in that relay have completed firing.

### Time Allowances:

**Ready Time** - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**.

Two and one half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.

**Alibis** - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

**Shoot-offs** - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the command **CEASE FIRE** and **READY**.

The small bore rifle silhouette match is held on the first Sunday of each month.

Setup starts at 8:00am. We will have a sight in/practice period starting after set up and will start the match promptly at 9:00am. This event is open to any Zia member/guest and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

**The adjacent bench rest/plinking range to the immediate West of the Small Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety.**

For additional information contact Sharon Foreman, email: [treasurer@ziarifleandpistolclub.com](mailto:treasurer@ziarifleandpistolclub.com)

## Results of the Long Range/Xtended Long Range Bench Rest Rifle Silhouette Match June 9, 2024

The June long range/Xtended long range match went pretty well, considering there was appreciable wind up to +20mph. That made it difficult for the Xtended long range guys. We had six shooters in Xtended long range out to 330 yds. It looks like Tom F, Guy N., and Steve S. all had 16, followed by Jerry C. with 15, and Dennis B. with 13. We just hope that next month we get a no-wind situation to see what we can really do.

In the standard long range, where the maximum distance is 220 yds., we had 10 shooters and we had a three-way tie for first place that included Guy N., Kevin B. and Tom F. It was very windy!! Thanks to all you folks that helped me set up and get this thing going!

### Results of the Standard Long Range:

COMPETITORS NAME	CHICKEN	PIG	TURKEY	RAM	TOTAL
Guy N.	10	10	6	5	31
Tom F.	10	10	4	7	31
Kevin B.	10	10	4	7	31
Earl B.	8	8	6	6	28
Jerry C.	9/5	9/5	5	4	27
Gavin B.	10	9/5	0	5	24
Karl B.	7	9	6	0	22
Gary D.	10	5	0	7	22
Dennis B.	7	9/5	2	3	21
Steve S.	5	9/5	4	1	19

### Results of the Xtended Long range:

COMPETITORS NAME	CHICKEN	PIG	TURKEY	RAM	TOTAL
Tom F.	5	7	1	3	16
Guy N.	0	7	4	5	16
Steve S.	4	2	4	6	16

Dennis B.	5	6	0	2	13
Gary D.	4	5	0	0	9

The bench rest rifle silhouette (formerly known as "Mouse Gun") match is held on the second Sunday of each month.

For those of you that are wondering what we do...

For the Standard long range competition:

We take a scoped .22 rifle that has plenty of elevation adjustment and shoots long rifle ammo (**no stingers or hyper velocity**) and we shoot at 1/5 scale targets, whereas the chickens are set a 60 meters and are roughly 2"x2" in size. The pigs which are roughly 3"x4" are set at 100 meters, the turkeys, roughly 3"x5" tall are set at 150, and the rams 6"x4" are at 200 meters.

Relays consist of 10 chickens at 60 meters, 10 pigs at 100 meters, 10 turkeys at 150 meters, and 10 rams at 200 meters.

For the Xtended long range competition:

We shoot chickens at 150 yds, pigs at 200 yds, turkeys at 290 yds, and rams at 325 yds. The size of these targets are 3/8 scale much bigger than the standard 1/5 scale targets, but further away.

*continued on next page*

*continued from previous page*

In order to shoot either long range match:

All you need is a sand bag, maybe a bipod, or perhaps a fancy bench rest rig, it doesn't matter as any type of rest is allowed. At the onset of each 15 minute relay, there are unlimited "sighters" at the beginning sighters being shots that are fired at a 8"x11" steel plate set at the same distance at each of the targets. When you are pretty sure that your rifle is sighted in good enough for that bay of targets, the "sighters" stop and you shoot 10 shots in left to right order in what is remaining of the 15 minute time allotment for score. This all done while sitting at a bench. It is a relaxed atmosphere and a ton of fun! A total of 40 rounds are needed for a match plus "sighters".

Setup starts at 7:30 am. We will have a sight in/practice period starting after set up if possible, and will start the match promptly at 8:00am.

I encourage anyone with a .22 rifle to come out and give this a try! Most folks that have are now hooked. If you have any questions, please call or text Tom 505-350-4026

Please note, on the 2nd Sunday of each month when this match is held on the East range, the F-Class range and the Precision Tactical range is closed for the duration of this event.

### **Veteran Air Gun Activity**

The heat of Summer and a Holiday weekday decreased the attendance this time. For the first time, air rifle shooters were on electronic targets.

Bill Richardson 363.8  
Ed Saucier 395.7  
Mike Garcia 212.8 (with rifle problems)  
Haylie Garcia shot unsupported with no score reportid  
Lawrence Barkalow shot paper targets with a pistol  
Gary Wells 375.8 unsupported

After scores were recorded for forty targets, Bill hung the Skittles targets. Twelve pieces of Skittles candy glued to a paper target. At ten meters, Ed and Haylie tied with eleven hits. Haylie challenged Ed to a one round shoot-off and she broke her last Skittle while Ed only nicked his.

Next match is on the 17th of July with a pistol shoot for those who want to participate. Rifle shooter will have any open lanes.

On August 7th we will have a **Daisy Red Ryder** side match at ten meters. Find 'em, dust 'em off and bring 'em for "**Felling Like a Kid Again**" night.

### **A REMINDER**

*(yes they are still out there!)*

LOOK!

WATCH YOUR STEP!

Yes, we do have snakes at the range! And as the days get warmer, you are likely to see one. Please remember, you **cannot shoot them!** (Member Guidebook, item 9, Policy and Procedures.) Just keep an eye out, and remember: they don't want to be bothered any more than you do! This guy was spotted at the smallbore silhouette range across from the clubhouse. Thank you Joel Martin for the pic!

**Scheduled Match in Progress  
Adjacent range(s) closed for  
duration of match**

You will start to see this sign at some of the scheduled matches starting in November. For safety purposes and as documented in the by laws, Article VIII, Section 2(b) states:

Matches or tournaments will take precedence over other shooting activities at the Range and for safety reasons certain ranges will necessarily be closed during the hours of the match or tournaments.

Every effort will be made to publish range closures in the Club Newsletter and on the web site prior to such a match or tournament. The Range Officer in charge of the match shall have the authority to halt firing on any adjacent ranges which he deems unsafe to the competitors or other shooters.

Closures will be as follows:

<b>Day Scheduled</b>	<b>Event</b>	<b>Range(s) closed</b>
1st Saturday	ARA Bench rest	Small bore silhouette & 200 yd. rifle sight in range
1st Sunday	Small Bore Rifle Silhouette	ARA Bench rest & 200 yd. rifle sight in range
1st Sunday	600 yd. Prone (F class)	Precision Tactical Rifle and Hi-power Silhouette
2nd Sunday	Small Bore Bench rest Rifle Silhouette	Precision Tactical Rifle and 600 yd. prone (F class)
3rd Saturday	ARA Bench rest	Small bore silhouette & 200 yd. rifle sight in range
