Almost Time To Renew!

For some of you, it is almost time to renew your Zia membership. How will you know when it is time for you to renew? Check your membership card. The expiration date for your current membership is written on the card. Hint: If you joined in the last year, your expiration date is a year from when you joined.

Online Renewals

You will receive renewal reminder emails 30, 15 and 7 days before your membership expires. If you do not renew by the expiration date, you will have a thirty day grace period, after which time, a \$35 late fee will be added to your dues and your gate key will be deactivated. Once you have paid your dues, plus the late fee, your membership will be reinstated and your gate key reactivated.

The Process

The reminder emails will contain renewal instructions and all the links needed to take the annual test, and log into your account. You and your Associates need to take the annual test, make sure your NRA is up to date, and update your profile page. Check your profile page, and make any changes as necessary (i.e. update NRA expiration date, annual test codes, change of address, phone number, email, etc.) Once you have done that, and paid your dues, new membership card(s) will be mailed to you, your Associates and Juniors.

If you need to change your membership, i.e. add or remove an Associate, update to Senior membership, etc., put in a ticket, explaining the change, and we will update your membership and send a new invoice.

Please note: if you are adding a new Associate, they must take the annual test, separate from you, and enter their code into your profile. They must also attend a New Member Orientation (NMO) class. Once they have been added to your package, they will automatically be added to the NMO list and invited to the next orientation class. Once they have completed the class, they will receive their gate key and membership card.

Mail In Renewals

For those few members, you will receive your renewal form and annual test in the mail. Fill both out and mail them in. As stated above, if you have an Associate (or wish to add one), they must submit an annual test, separate from yours. And, if they are new Associates, they must also attend the New Member Orientation class.

If you would like to switch to renewing online, let us know and we can set that up. You can reach Lois at 505-281-2800 (voice or text) or by email at: membership@ziarifleandpistolclub.com.

Results of the Small Bore Rifle Silhouette Match November 3, 2024

(From now on to be known as the Top Turkey Match)

½ Size Target Results

What a perfect fall morning for a silhouette match. When we arrived at the range, it was threatening to really rain, and did up until the time that we needed to set up the match. The weather cleared and the lighting was perfect! We had the privilege of having some of the Valencia 4H shooters attend. It is always a pleasure to be in the presence of young competitors and their families.

The match went well with Mother Nature cooperating with us and blessing us with minimal breezes and precipitation. Jerry C. will continue to pursue the evasive 40X40 coming up short by only 2 targets -winning the overall **“Top Turkey”** for scoped class. The **“Top Turkey”** for Iron Sights was none other than Jordan S. with 28. All of the rest of the **“Top Turkey”** flock are highlighted below. Of note: For the AAA class there was a shoot off between Bill S. and Gary B. with Bill winning the shoot off. Also, in the AA class, there was a shoot off between Luci and Jordan S., with Jordan taking the win.

We had 24 shooters with 3 full relays. With all of the support and cooperation of everyone participating we were able to complete the match, have a pot luck, score card bingo, and the awards presentation before the storm that was threatening us all morning, surrounded us and sent us all home.

COMPETITORS NAME	CHICKEN	PIG	TURKEY	RAM	TOTAL	CLAS

Tesa	5	7	0	3	15	U
Davin	5	3	6	0	14	I
Carter	5	2	0	2	9	I

Highlighted scores indicate class winners.

Please note the 5 and 10 in a row winners as indicated in the score table.

The matrix for this class structure is:

Master	34 - 40
AAA	28 - 33
AA	21 - 27
A	15 - 20
B	0 - 14

This class structure has no bearing on any classifications or qualifications outside of this specific match. The purpose is to allow everyone a fair chance at competition and provide a structure for advancement. The way you advance to the next level is to shoot 3 subsequent scores within the higher range(s). New shooters will shoot "unclassified" and once a score is recorded, that will be the class in which they will shoot until higher scores move them "up".

1/5 size target results:

On the 1/5 size targets, there were 2 full relays and the competition is strong. Jerry C. (you know, the guy that is ALWAYS at the range) took the "**Top Turkey**" Scope award with 24 and Eric took home the "**Top Turkey**" Iron Sights trophy turning in a score of 16. As evidenced by the scores below, the competition is almost too close to call.

COMPETITORS NAME	CHICKEN	PIG	TURKEY	RAM	TOTAL	CLASS
Jerry C.	7	6	5	6	24	Scope
Cohen A.	5	6	1	4	16	Scope
Eric	7	0	8	1	16	Iron Sights

Casey A.	3	2	3	6	14	Scope
Tesa	5	1	3	0	9	Scope
Jordan S.	3	1	2	3	9	Iron Sights

Small Bore Silhouette shooting is one of the most challenging sports for individual marksmanship. Many great shooting competitions offer challenging shots at long range from a bench or other supported position. All our shooting is done from a standing position swaying in whatever breeze there happens to be. We shoot 10 chickens at 40 yards, 10 pigs at 60 yards, 10 turkeys at 77 yards, and 10 rams at 100 yards. A total of 40 rounds are needed for a match plus sight in rounds.

We shoot with .22 rim fire rifles with scopes or open sights. Any standard velocity or high velocity .22 short, long, or long rifle ammo is permitted but the extra hot rounds such as the STINGER or VIPER rounds and magnums are prohibited.

The following is information taken from the NRA Silhouette Rifle Rule book and explains the match time sequencing:

Time is not checked on each shot but is computed on the indicated allowance for each five-shot string. The Range Officer may terminate any relay before completion of the full time allowance, if all competitors in that relay have completed firing.

Time Allowances:

Ready Time - Fifteen seconds will be allowed after the command **READY** is given before the command **FIRE**.

Two and one half minutes will be allowed to fire one shot on each target of a bank of five targets. Targets are shot in sequential order from left to right.

Alibis - 30 seconds will be allowed for each unfired round of the series in which the alibi is allowed.

Shoot-offs - 30 seconds will be allowed for each shot fired in a shoot off of ties.

A minimum of 30 seconds will be allowed between the command **CEASE FIRE** and **READY**.

The small bore rifle silhouette match is held on the first Sunday of each month.

Setup starts at 8:00am. We will have a sight in/practice period starting after set up and will start the match promptly at 9:00am. This event is open to any Zia member/guest and all are welcome. Juniors are encouraged to try this fun and challenging shooting sport.

The adjacent bench rest/plinking range to the immediate West of the Small Bore Rifle Silhouette Range will be closed for the duration of our matches. This will allow us to provide participants with a higher level of safety.

There is an opening this year for the position of Director of Junior Training. Below are statements from Toma Shaver and Derek Tucker who have expressed interest for this position.

I would like to introduce myself to those who do not know me. My name is Toma Shaver. I am a 4-H leader (30+ years) and a passionate coach with over 15 years of experience dedicated to guiding youth in shooting sports.

As the Valencia County 4-H Shooting Sports coach, I have helped many young shooters build solid foundations in safety, skill, and sportsmanship through rifle and pistol disciplines

I bring extensive qualifications, including certifications as a 4-H rifle and pistol coach, along with NRA (Rifle, Shotgun, Range Officer), CMP, and USA Shooting coaching credentials. With my USA Shooting SafeSport certification, I am trained to work with youth both on and off the line at all levels of competition.

My mission is to carry forward the strong program built by Joel Martin, supporting young athletes in achieving their goals whether they aspire to compete locally, statewide, or even internationally. As Junior Director for Zia Rifle and Pistol Club, I will be committed to fostering safety, critical thinking, character, and discipline through competition and camaraderie in shooting sports.

I would be honored to receive your vote and look forward to continue empowering youth to pursue their passion for shooting sports at every level.

Dear Zia Members,

My name is Derek Tucker, and I have been a member of Zia for the last two years and have been involved with Junior Program since joining. I have been shooting since my youth and shot competitively in small-bore through 4-H and into college. I have been working with youth shooting and coaching prior to coming to Zia for the past 15 years. I love working with youth and helping them reach their goals and to excel in shooting.

I currently have a 13-year-old son who is competing and shooting in the Junior Program. I plan to continue to coach and help with the program even after he is gone to college. My greatest desire is for this wonderful youth program to continue and grow beyond what Joel Martin has built over the last 20 years. My goal is to make sure the youth learn proper gun safety, marksmanship skills, and most importantly have fun. With this program we can help youth learn to enjoy shooting and to become educated firearm handlers, who will pass on this enjoyment to the next generation.

I plan to help this program continue to grow by supporting youth and encouraging them in the international style of rifle and closely aligning it with USA Shooting. By modeling this style, it will help shooters experience collegiate shooting programs, encourage potential scholarship opportunities, as well as expose shooters to other shooting events such as CMP which is something they can take part in through out their lives.

I am currently a certified USA Shooting coach and a certified 4-H Rifle coach, with these certifications I can work with shooters on the line at local, national, and international matches. Thus, allowing our youth shooters the opportunity to travel and compete at any level they aspire to. Thank you for consideration for the position of youth director.

J. Derek Tucker
